- Participants, who have a health problem (herniated disk, kidney disease, a new surgical, etc.) are not suitable for field works.
- Field works, which takes during the night (8:00 p.m. to 4:00 a.m.) or in the morning (4:00 a.m. to 09:00) have physical difficulties such as walking on the beach about 10 km under the sun heavy wind.
- Females and males have to be stay in separate rooms.
- Swimming everywhere is forbidden because of rib currents.
- Participants have obliged to comply with the team rules.

I would like to participate between dates which is mentioned above for monitoring of sea turtles at Samandag and around beach. I know the difficulty of field conditions. I accept to obey all the field team rules and I accept my responsible for all kinds of my health problem.
